

GOBIERNO DE LA
CIUDAD DE MÉXICO

Day of the Dead

Mexican celebration
of pre-hispanic origin that
honors the dead.

During the festivity,
offerings are put for those
who have passed away, hoping they visit
the earthly plane once again to enjoy the
delicacies placed on the altar.

In the same way,
multiple people visit the graves
of their relatives to decorate them
with flowers and "coexist" with their
loved ones.
