The information hereby provided/attached is truthful, complete and correct. If an applicant provides false or conceals information, and/or submits documents that are in any way altered, falsified or obtained through fraudulent means will be denied any visa to enter Mexico, and subsequently registered in migratory databases.

In accordance to Mexican immigration laws and regulations, a Mexican visa allows a foreign national to arrive at a port of entry and/or migration checkpoint, and request entry into Mexico. Be advised that holding/ presenting a visa does not guarantee that entry into Mexican territory will be granted. At the point of entry, Mexico's immigration officers are the only authority that can accept or refuse the entry of any traveler into Mexico, regardless of whether the traveler has previously attained a visa or is exempt from obtaining one.
