

The Consulate of Mexico in Kansas City announces the educational institutions and social organizations that will participate in the 2016-2017 cycle of the IME – Fellowship program in Kansas and Missouri

The IME-Fellowship program is an initiative promoted by the Mexican Government since 2005. So far, more than 45,000 Mexicans and Mexican Americans who seek to continue with their studies in middle and higher education, English as a Second Language, and GED – HiSET courses in the United States have been benefited through the program.

After a thorough application reception and evaluation process, the IME – Fellowship 2016-2017 Local Committee has determined that the following institutions complied with all the requisites to participate in this edition of the program:

- Kansas State University
- University of Missouri in Kansas City
- Donnelly College
- The Don Bosco Centers
- Bishop Ward High School
- Johnson County Community College
- The Greater Kansas City Hispanic Development Fund

This record-setting number of allied institutions has made of the 2016-2017 cycle the largest edition of the program so far in Kansas and Missouri. In collaboration with the Consulate of Mexico in Kansas City, these organizations will grant scholarships to 98 Mexican and Mexican American students, doubling the amount of scholarships provided in the 2015-2016 cycle.

For questions on how to participate in the program, please contact the Financial Aid or Student Outreach Department of each institution. People interested in learning more information can also contact the Consulate of Mexico in Kansas City, on the phone number (816) 556-0800, ext. 714 and 726, or via email at conkansas@sre.gob.mx.
