

Visitor Visa Without Permission to Engage in Remunerated Activities
(Electronic Visa) COMING SOON

Applicable to foreigners from authorized countries by Mexico to apply for and obtain the visa through electronic means and records, when intending to travel to Mexico by air to enter under the immigration status of Visitor without permission to engage in paid activities.

Requirements:

- I. Valid Passport or id travel and identity document, recognized under international law, proving nationality from a country authorized by Mexico to obtain the Electronic Visa.
- II. Complete the Electronic Visa application, providing the information required by the immigration authority.
- III. Digital photograph of the applicant's face without glasses, with a white background similar to the photo in the passport or travel and identity document, in .jpg, .jpeg, or .png format, with a file size between 2 and 5 MB.
- IV. Image of the passport or travel and identity document data page in .jpg, .jpeg, or .png format, with a file size between 2 and 5 MB, ensuring the image fits within the parameters of the document's data page and is clearly visible.
- V. Travel to Mexico by air.
- VI. Payment of fees shall be made in accordance with the provisions of Article 22 of the current Federal Fees Law.

Fee:

For the reception, processing, and, if applicable, authorization of the visa: \$54.00 USD

Important Information: Holding a visa does not guarantee entry into national territory. It only allows the foreign national to present themselves at a port of entry to request entry into the country. Entry into Mexico is subject to approval by health and immigration authorities at ports of entry, known as immigration checkpoints, who may at any time conduct an interview regarding the purpose of the trip and verify the requirements established in the applicable legal provisions (Article 37 of the Immigration Law and Article 60 of its Regulations).
