Mexico Travel Warning: What the Update Means for Travelers

- "Also, it's important to note that other countries have issued travel warnings about certain parts of the U.S. in the past year. I think it's always important to put these things into perspective."
- "The Mexican government dedicates substantial resources to protect visitors to major tourist destinations," and addressed the recent reports that tourists had been targeted with allegedly tainted alcohol at a handful of resorts in the Yucatan Peninsula. - Pooja Jhunjhunwala, State Department spokesperson
- "I witnessed absolutely no violence, nor did I feel the threat of it." - Andrea Whittle, associate editor at Conde Nast Traveler

Tourism in Los Cabos Is Unstoppable

- Tourism is booming, new resorts are on the way and experiences in the destination just keep getting better.
- The travel warning does not say that visitors should not come to Los Cabos. We are receiving millions of visitors, and they are enjoying going around and experiencing all the area has to offer.

Don't freak out over U.S. travel warning about Cancún and Los Cabos. Here's why.

- While Cancún's murder rate is 20 people per 100,000 inhabitants and Los Cabos' is 14 people per 100,000 inhabitants, the equivalent rates for some big U.S. cities is significantly higher: 52 people per 100,000 inhabitants in Baltimore, 50 in Detroit and 20 in Washington, D.C.

Don't cancel vacation to Mexico despite State Dept. warning, experts say

- "You can go to New York, you can go to California and still have the same worries as you would going to Mexico or another country, you know"
- Experts said Americans generally travel to all-inclusive resorts in the areas that are under the State Department warning. These areas are safe.
